Route Description

Upon leaving Fort Kent, the route heads back east to Frenchville, a bit south to Long Lake, and farther east to explore the small but Acadian culture-rich communities of Fournier and Grand Isle. We then take a south-west tack, passing through Lavertue, on our way to Morin Farms, which is on the eastern shore of Long Lake. Pedalling north along Long Lake, we make our way around the northern end of the lake and head to our final 2018 BikeMaine Village, Lakeview Camping Resort, which is located high on a bluff overlooking the magnificent Long Lake in St. Agatha (pronounced Saint Ah-gaht).

Points of Interest

Frenchville Heritage Park: Our first rest stop today brings us to Frenchville's Heritage Park, where you'll be greeted by a host of local displays and information, brought to us by the Heritage Park Committee. Among other things, you'll have the chance to learn about the moonshine smuggling operations in the area during prohibition!

Pelletier Island: Feel like adding an extra couple miles onto the ride? **If you have tires that can handle dirt**, take a left from Beaulieu Road onto Island Road at around mile 44. There is a 2.5 mile loop on the island, with pristine views all the way around. This is an unsupported leg of the route, and will add on to the total mileage for the day.
